NOTICE OF PUBLIC COMMENT ON
Draft Renewal Permit
Weber County Class VI Landfill

Weber County Corporation has submitted a permit renewal application to continue to operate its Class VI Landfill at 10485 West 900 South, Ogden, Weber County, Utah. The landfill will continue to receive non-hazardous construction and demolition solid waste. The renewal permit application has been reviewed by the Division of Waste Management and Radiation Control for compliance with the Solid Waste Management Rules and a draft permit has been prepared by the Director of Waste Management and Radiation Control. The Director is soliciting comments on the permit application and the draft permit in relation to their compliance with the Solid Waste Management Rules. R315-311-3 of the Utah Administrative Code provides for a public comment period to receive comments on the renewal application and draft permit prior to final action by the Director.

The public comment period to receive comments on the draft permit will commence on April 28, 2021 and end on May 27, 2021.

Documents related to this application can be reviewed at the following location:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, UT 84116

Additionally, copies of the draft permit and permit application are available on the Internet at <https://deq.utah.gov/waste-management-and-radiation-control/waste-management-radiation-control-public-notice>

Written comments will be accepted if received by 5:00 p.m. on May 27, 2021. Comments should be submitted to the address below, be hand delivered to the Division address above or be submitted by electronic mail as detailed below.
